

The Leader in Innovative Food Solutions **FOR AIRPORTS AND AIRLINES**

Wonder for Business has redefined the realm of culinary engineering with a turnkey system that cooks ready-to-finish dishes in under 10 minutes at the push of a button.

Pick from our diverse selection of menu items

Cook in a ventless and programmable oven

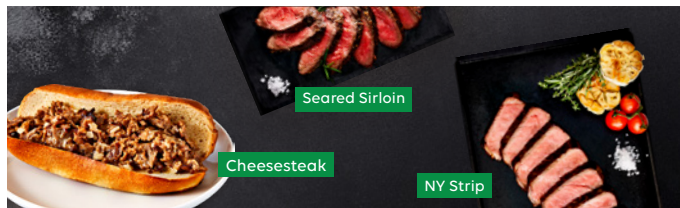

Reap the benefits

TRUSTED BY THE INDUSTRY'S MARKET LEADERS

We partner with the world's largest foodservice providers and distinctive restaurant brands to supplement their menus at some of the country's busiest airports. From first class lounges to employee cafeterias, we provide an unparalleled dining experience for guests who are on the move.

EXPLORE SAMPLE MENU CONCEPTS

Premium Lounges

Delight guests with elevated food creations to satisfy the most discerning of tastes.

Food for Sale

Provide craveable all-day dining options for customers who are on the go.

HOW WE OPTIMIZE FOODSERVICE OPERATIONS IN A COMPETITIVE SPACE

What Sets Us Apart

High Efficiency

Compact kitchen OS with no need for gas lines or hoods.

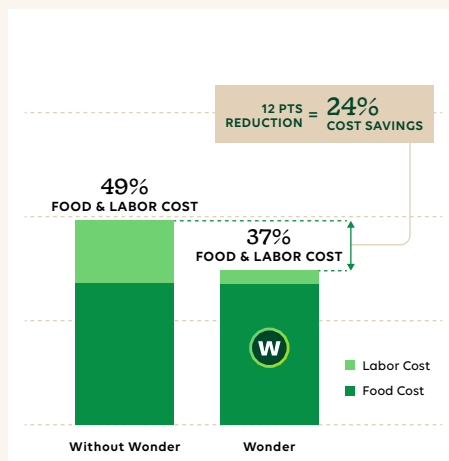

High Speed

From pizzas to tender steaks, most of our dishes cook within 2 to 5 minutes.

Repeatable Consistency

Our foods undergo rigorous quality control and use proprietary cooking methods.

Your Benefits

Increased Revenue

A diversified menu selection drives sales for all-day mealtimes.

Streamlined Operations

High item throughput and multi-use equipment eliminate production bottlenecks.

Enhanced Guest Experience

Accelerated cook times and more menu variety mean shorter lines and more satisfied customers.
