

The Leader in Scalable Food Solutions

FOR GLOBAL FOODSERVICE PROVIDERS

Wonder for Business has redefined the realm of culinary engineering with a turnkey system that cooks ready-to-finish dishes in under 10 minutes at the push of a button.

Pick from our diverse selection of menu items

Cook in a ventless and programmable oven

Reap the benefits

TRUSTED BY THE INDUSTRY'S MARKET LEADERS

We partner with the world's largest foodservice providers at venues across the country to power their dining operations. From corporate cafeterias at Fortune 100 companies to stadiums and convention centers that welcome millions of annual visitors, we provide an unparalleled dining experience for a diverse demographic of guests.

EXPLORE SAMPLE MENU CONCEPTS

Comfort Classics

Showcase a grab-n-go format with familiar handhelds for maximum convenience.

Italian Favorites

Cater to guests' cravings with pizzas and pastas.

HOW WE OPTIMIZE LARGE-SCALE FOODSERVICE OPERATIONS

What Sets Us Apart

High Efficiency

Reduce labor costs by eliminating prep and specialized training.

High Speed

From pizzas to tender steaks, most of our dishes cook within 2 to 5 minutes.

Repeatable Consistency

Our foods undergo rigorous quality control and use proprietary cooking methods.

Your Benefits

Increased Revenue

A diversified menu selection drives sales for all-day mealtimes.

Streamlined Operations

High item throughput and multi-use equipment eliminate production bottlenecks.

Enhanced Guest Experience

Accelerated cook times and more menu variety mean shorter wait times and more satisfied customers.
