

The Leader in Innovative Retail Solutions **FOR SUPERMARKETS**

Wonder for Business has redefined the realm of culinary engineering with a turnkey system that cooks ready-to-finish dishes in under 10 minutes at the push of a button.

Pick from our diverse selection of menu items

Cook in a ventless and programmable oven

Reap the benefits

SATISFYING SHOPPERS AT NATIONAL GROCERY CHAINS

We partner with the nation's leading grocery chains to power their prepared food programs and supplement their retail offerings. We enable grocers to differentiate themselves with made-to-order creations without the need for any additional hires.

EXPLORE SAMPLE RETAIL OFFERINGS

Grab-N-Go Pizza

Provide an all-day option for customers who are on the go.

Family-Friendly Handhelds

Help customers get dinner on the table with crowd-pleasing finger foods.

HOW WE HELP GROCERS STAND OUT IN A COMPETITIVE INDUSTRY

What Sets Us Apart

High Efficiency

Compact kitchen OS with no need for gas lines or hoods.

High Speed

From pizzas to tender steaks, most of our dishes cook within 2 to 5 minutes.

Repeatable Consistency

Our foods undergo rigorous quality control and use proprietary cooking methods.

Your Benefits

Reduced Labor Costs

Ready-to-finish products mean no prep or additional labor is required.

Enhanced Guest Experience

Accelerated cook times and more menu variety mean shorter wait lines and more satisfied customers.

Streamlined Operations

High item throughput and multi-use equipment eliminate production bottlenecks.
