

Premium Food Solutions

SPEED - CONSISTENCY - QUALITY

Enhance your culinary offering with exceptional food that can be prepared simply at the touch of a button. Our esteemed culinarians have masterfully crafted dishes inspired by the world's finest chefs and restaurants to cook rapidly and at scale.

Through our innovation, every dish is cooked perfectly and consistently within minutes. We optimize your F&B operation by reducing labor costs and production time, so you can focus on satisfying all appetites.

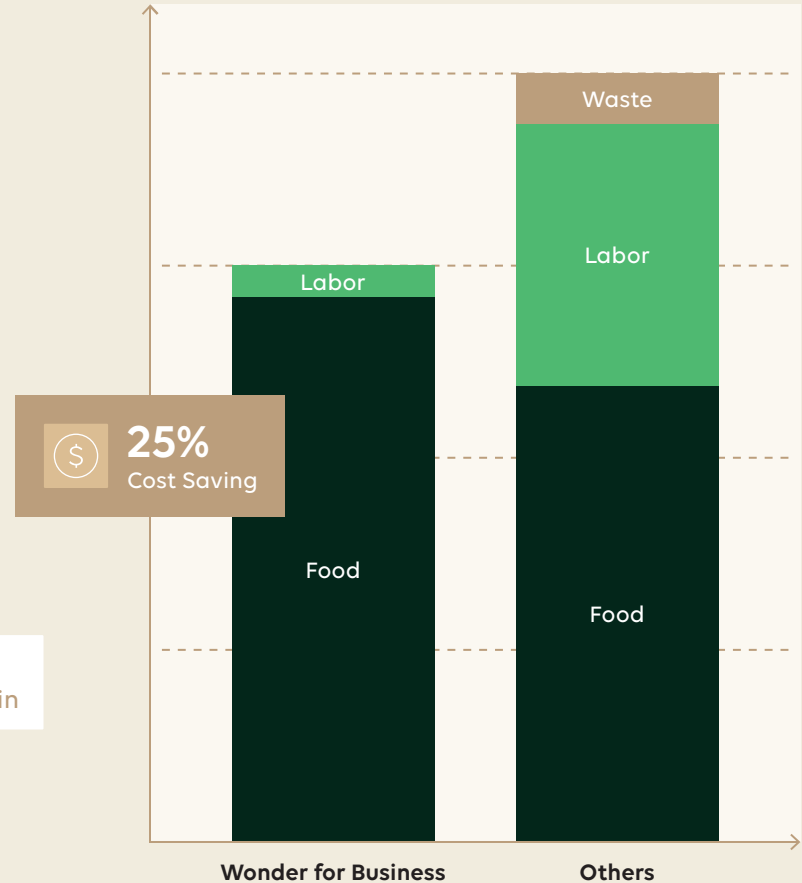

What You Get

Meet our state-of-the-art system: packaged meals developed by our world-class culinary team ready for our oven. Each item is fully prepared with the touch of a button, eliminating the need for full-service kitchens, extensive staffing, or ongoing menu R&D. Our one-of-a-kind program reduces labor costs and production time, without sacrificing quality.

 **Fast**
2-5 Min

Double Batch Oven

Consistency	Programmed to cook every item perfectly
Labor-Efficient	One-touch operation requires minimal staff training
Ventless	Designed for quick installation without gas or water supply. No need for hood space
Space-Effective	Can be installed anywhere that allows for 1" of space around it (27.7" X 23.2" X 35.6" in size with 2 independent cooking chambers)
High Throughput	Most items cook in 2–5 minutes, with batch and commingling capabilities
Multi-Use	Prepare a full menu using a single piece of equipment
Electrical	220V, 50 Amp breaker, NEMA 6-50P outlet

Our Offering

Our Distribution Partners

How It Works

1 PICK YOUR FOOD PROGRAM

Start with our flagship white-labeled Luna pizza or customize your own menu with us.

2 PREPARE FOR EQUIPMENT INSTALLATION

Our oven is ventless and requires minimal space.

3 DELIVERY AND TRAINING ALL AT ONCE

Schedule your order delivery, training, and equipment installation on the same day to minimize operational disruption.

4 PLEASE THE CROWD

Forget long prep and hiring. Your new food system is ready for launch instantly.

Who We Are

Wonder for Business, a division of Wonder Group, is a food technology company providing a turnkey food and equipment program to sports and leisure venues, hospitality companies, education and healthcare facilities, and more. Wonder for Business optimizes enterprise F&B operations by reducing labor costs and production time, while offering delicious, restaurant-quality meals simply prepared through the touch of a button.
